## **AVOID A £100 FINE!**

### **CONTACT US - for advice with your Self Assessment Tax Return!**

The last thing anyone needs at the moment is receiving a fine of any amount that could easily have been avoided by seeking appropriate and timely help and advice.

There are always reasons why the tax return is overlooked or ignored –not enough time because of business or family commitments, not wanting to pay the tax, being overwhelmed by the process of dealing with HM Revenue & Customs or just not a priority at the moment.

However ignoring this now will cost you later with a £100 fine after 31 January 2012 – no claims for reduction and then if still outstanding after 30 April - £10 per day!

Here at Wrigley Partington, Linda and Lisa are two dedicated tax consultants who can help you complete your 2011 self assessment tax return, submit this before the filing deadline of 31 January 2012 and will be there to guide you through the payment regime (explaining how to approach the Revenue if full payment cannot be made) or even perhaps advise you of a refund!

Our fees are competitive without compromising the quality of service which has been essential to our success as a business.

Whether you have completed a return before or need one for the first time (HM Revenue & Customs are targeting potential taxpayers who should be within self assessment such as property owners with rent, private tutors and coaches) get in touch with us either by email [info@wrigleypartington.co.uk](mailto:info@wrigleypartington.co.uk) or ring direct on 0161-622-0222. We are happy to discuss your needs for free and advise you how best to proceed with the return. Don't leave it until it is too late!
